Question No.527

Question.

Will the Hon. the Minister for Local self Govt. be pleased to state :—

(1) Whether there is sufficient accommodation for in-patients (male & female) in the Government or other public hospitals at Mangalore;

(2) How many patients approximately were refused admission as in-patients to these hospitals during the years [redacted], 1922 and 1923;

(3) Whether it is a fact that the existing hospitals are in the midst of insanitary surroundings;

(4) Whether it is a fact that the present hospital buildings are in a most rickety condition and are insanitary;

Answer.

According to the returns of Civil hospitals and dispensaries for 1922, the Government Headquarter Hospital at Mangalore contains accommodation for 38 in-patients and the Women and Children's Hospital has accommodation for 18 in-patients. In 1922, it was reported that the accommodation in the main hospital was insufficient and that it was consequently ~~resulted in~~ overcrowding. The Government accordingly sanctioned the construction of a temporary ward to accommodate 20 additional in-patients. They have no information regarding other hospitals in the town.

The Government have no information.

The Government have no reason to suppose that this is the case.

The Government have recognised that the present hospital buildings are too small and ~~old-fashioned~~ out of date and require reconstruction. They do not, however, consider that they are insanitary.

From (Name) Major-General T.H. Symons, C.B.E., I.M.S.,

(Designation) Surgeon-General with the Govt. of Madras.

To The Secretary to the Government of Madras,
LOCAL SELF GOVERNMENT (PUBLIC HEALTH) Department.

Sir,

P. Sanit

Reference:- Government Memorandum, No.2118-2 P.H, dated 14th May 1924.

The District Medical Officer, South Kanara reports that the number of patients (males and females) who were refused admission as in-patients in the Government or other public Hospitals in ~~the~~ Mangalore during 1921, 1922 and 1923 is not available as no record is kept of such cases. It is reported that many cases are refused admission as it is judged that they do not require to be treated as inpatients. The District Medical Officer ~~is~~, however, is using his ~~discrimination~~ discretion in admitting cases, with

the

the limited number of beds (60) available. Only urgent and serious cases are admitted, and yet the Hospital is over-crowded. I therefore consider that a new hospital with more accommodation is essential and the question of the construction of the new hospital must be taken up at once. The District Medical Officer is selecting a site for the purpose.

I have the honour to be,

Sir,

Your most obedient servant,

T. H. [illegible]

Major-General, I.M.S.,
Surgeon-General with the Govt. of
Madras.

Q. S. 6 (PH) 1924

To

Dear Sir,

With reference to clause (2) of your question No. 477 put at the meeting of the L.C. held on the 4th March 1924, I am directed to state that the information ~~asked for therein~~ is reported to be not available as no record is kept of such cases. ~~It is also reported that~~ Many cases ~~are~~ are refused admission as it is judged that they do not require to be treated as in-patients. The D.H.O. is however using his discretion in admitting cases, regard being had also to the number of beds available in the hospitals.

regarding the number of persons who were refused admission as in-patients into the hospitals in Bangalore during 1921, 1922 & 1923.
